Integrated Health & Wellness Programs

Appointment and Cancellation Policy

Natural Healthcare Center offers Massage Therapy as well as Clinical Nutrition and Weight Loss programs as a service to its patients. However, we do ask that you follow a few simple rules regarding making or canceling appointments:

- A credit card is required for all appointments at the time of booking.
- We ask that you kindly give us 24-hour notice if you need to change or cancel your appointment. Without proper notification we will apply the credit card charge to a future appointment. No refunds will be made without 24-hour notice.
- Punctuality is greatly appreciated. Late arrivals may result in a shortened session -- however, the full charge will apply.
- When booking an appointment, please advise NHC of any significant health conditions you may have – e.g., pregnancy, illness, injuries, etc.
- For Massage, gratuities are optional. They are not included in the massage fee.

Thank you
